Peaks of the Balkans

7-day guided trek

The essential Accursed Mountains crossing in one focused week—Valbona Pass, Prejsllopi, the triple border and village nights—without rushing the high days.

FROM

More than a route. A way into the mountains.

Seven guided days give you the heart of the Peaks of the Balkans: limestone passes, shepherd pastures and three-country views, paced for hikers who want the classic high route without the longer Montenegro loop.

You still walk remote alpine trails up toward 2,300 m, sleep in family guesthouses and cross landscapes that were closed for generations. The shorter format keeps the signature stages—Theth to Valbonë, Prejsllopi, Dobërdol and the triple border—then finishes cleanly toward Montenegro with a transfer home.

Days run easy-to-moderate+ with sustained climbs. Good fitness and proper mountain kit matter. Ideal if your calendar is tight but you still want a serious guided trek.

Your journey, unfolded.

DAY 01

Shkodër → Theth

Meet your guide and transfer into Theth National Park.

Meet in Shkodër and drive through Boga Valley into the Albanian Alps. We stop at Qafë Thorë for the view, then descend to a Theth guesthouse for dinner and an easy afternoon walk in the park. Tirana or Podgorica pickups can be arranged.

- Accommodation: Guesthouse
- Meals: Dinner
- Drive: up to 2h 20min

DAY 02

Theth → Valbonë

The classic pass day into Valbona Valley.

Climb toward Valbona Pass (~1,792 m) on a moderate-to-challenging trail many first-time alpine hikers still complete with steady pacing. Outstanding views open over the Albanian Alps before the descent into Valbonë. Finish on foot along the dry riverbed or shorten the last stretch by van.

~16 km · 6–7h · Moderate / Challenging

- Trail ~16 km · Ascent/descent ~1,050 m / 800 m · Max ~1,760 m
- Difficulty: Moderate / Challenging
- Meals: Breakfast, picnic lunch, dinner · Guesthouse

DAY 03

Valbonë → Çerem

Prejsllopi Pass and a touch of Montenegro.

Switchbacks lead to Prejsllopi (~2,000 m) with snowline peaks all around. A rocky border stretch needs careful footing—poles recommended—then we re-enter Albania and descend through meadow and beech forest to Çerem. Stormy weather? We replace the high section with a short 4x4 transfer.

~14 km · 7–8h · Moderate / Challenging

- Trail ~14 km · Ascent/descent ~1,150 m / 870 m · Max ~2,040 m
- Difficulty: Moderate / Challenging
- Meals: Breakfast, picnic lunch, dinner · Guesthouse

DAY 04

Çerem → Dobërdol

Forest trails into open alpine pasture.

A longer day of rises and dips through forest, briefly crossing the Montenegro line past an old border post. Picnic at the seasonal shepherd hamlet of Balqin, then an easier approach into the wide pastures of Dobërdol.

~16 km · 6–7h · Moderate

- Trail ~16 km · Ascent/descent ~1,025 m / 440 m · Max ~1,920 m
- Difficulty: Moderate
- Meals: Breakfast, picnic lunch, dinner · Guesthouse

DAY 05

Dobërdol → Milishevc

Triple border day into Kosovo.

Bilberry meadows lead toward the ridge where three countries meet. Near Triple Peak (~2,266 m) you look back over the Albanian Alps already walked, then continue through alpine meadow into Milishevc. Distance can vary slightly with lodging.

- Trail ~18 km · Ascent/descent ~950 m · Max ~2,236 m
- Difficulty: Moderate
- Meals: Breakfast, picnic lunch, dinner · Guesthouse
- Note: luggage transport not included on this day

DAY 06

Milishevc → Babino Polje

Border crossing into Montenegro.

A rewarding border day from Kosovo into Montenegro on colourful high ground. We descend gradually into Babino Polje, keeping the pace relaxed so the scenery stays the focus.

~16 km · 5–6h · Easy / Moderate

- Trail ~16 km · Ascent/descent ~700 m / 880 m · Max ~2,166 m
- Difficulty: Easy / Moderate
- Meals: Breakfast, picnic lunch, dinner · Guesthouse

DAY 07

Hrid Lake · transfer out

Forest lake morning, then journey home via Plav / Shkodër.

A lighter final morning toward Hrid Lake for a swim and picnic if weather allows, then we transfer via Plav toward Shkodër (or your agreed exit airport hub). Celebratory lunch on the road and time for goodbyes—the essential Peaks route, completed in seven days.

Half day hike · Transfer · Breakfast & lunch

Questions before you book.

Where do I join the tour, and which airport should I use?

We confirm the exact meeting point and time before departure. You can fly into Tirana, Podgorica, Pristina or Skopje. Arrivals via Pristina or Skopje usually start and finish in Pristina; Tirana or Podgorica arrivals start and finish in Shkodër, with onward transfers available after the trek.

How large is the group?

Open group dates run with a minimum of 4 and a maximum of 7 guests. At 4 confirmed travellers we guarantee departure. Private groups for friends or family can range from 2 to 12.

What is included in the trip price?

Listed prices are for the tour only (flights separate). Inclusions and exclusions are detailed in the Holiday Information section—typically lodging, trek meals, itinerary transport, park fees and border permits.

Can I have a single room?

Village lodging is limited, so single rooms are not always available. Most nights are twin or triple share. Solo travellers on open groups share with someone of the same gender when a single cannot be arranged.

What if I need to cancel or transfer my booking?

Please write to us as soon as you know. Cancellation charges follow our booking conditions; we will confirm what applies to your dates.

Is there an age limit?

There is no upper age limit. Travellers aged 80 or over may be asked a few fitness questions so we can confirm the itinerary suits you. On group departures the minimum age is 16; under-16s must travel with a parent or accompanying adult.

Can I add nights before or after the trek?

Yes. Extra nights at our usual start or end hotels are easy to arrange—mention it when you book and we will sort the details with you.
